

ABSTRACT

Muhammad In'am. 2023. "**Implementation of ubudiyah activities in increasing the intelligence of spiritual participants in MTs Plus Ath-Thohiriyyah**". Skripsi. Lamongan Islamic University (UNISLA).

This research is motivated by a situation that the attitude of students to the occurrence of a spiritual crisis in children and adolescents. Not infrequently crime occurs among children such as gambling, brawls between schools, drug addiction and others. This is due to the lack of continuity between the religious values of individuals with the development of increasingly advanced times. So the need for education to balance the situation, especially religious education, in this case takes the form of direct implementation carried out daily so that later it can change the mindset and behavior of students. The focus of the research in this thesis is How is the implementation of the activities in increasing the spiritual intelligence of students in MTs Plus Ath-Thohiriyyah? How are the supporting and inhibiting factors for the implementation of Reading ubudiyah activity in increasing the spiritual intelligence of students at MTs Plus Ath-Thohiriyyah? ABSTRAK

Muhammad In'am. 2023. **“Implementasi Kegiatan Ubudiyah untuk Meningkatkan Kecerdasan Spiritual Peserta didik di MTs Plus Ath-Thohiriyyah”** Skripsi. Universitas Islam Lamongan (UNISLA).

Penelitian ini dilatarbelakangi oleh sebuah keadaan bahwa sikap peserta didik terjadinya krisis spiritual pada diri anak dan remaja. Tak jarang kriminalitas terjadi di kalangan anak-anak seperti perjudian, tawuran antar sekolah, kecanduan narkoba dan lainnya. Hal ini disebabkan karena tidak adanya kesinambungan antara nilai-nilai keagamaan dari individu dengan perkembangan zaman yang semakin maju. Sehingga dibutuhkan pendidikan untuk menyeimbangkan keadaan tersebut, khususnya pendidikan agama, dalam hal ini berbentuk pelaksanaan langsung yang dilakukan sehari-hari agar nantinya dapat mengubah pola pikir dan tingkah laku peserta didik. Fokus penelitian dalam skripsi ini adalah (1) Bagaimana implementasi kegiatan ubudiyah sholat dhuha dalam meningkatkan kecerdasan spiritual peserta didik di MTs Plus Ath-Thohiriyyah? (2) Bagaimana implementasi kegiatan ubudiyah membaca Al-Qur'an Surat Al-Waqi'ah dalam meningkatkan kecerdasan spiritual peserta didik di MTs Plus Ath-Thohiriyyah? (3) Bagaimana implementasi kegiatan ubudiyah pembelajaran kitab Ta'limul Muta'allim dalam meningkatkan kecerdasan spiritual di MTs Plus Ath-Thohiriyyah? Penelitian yang peneliti lakukan ini adalah termasuk dalam penelitian kualitatif dengan jenis penelitian deskriptif. Lokasi penelitian di MTs Plus Ath-Thohiriyyah, dengan mengoptimalkan kehadiran peneliti dalam penggalian datanya. Sumber data mencakup kepala sekolah, guru, dan peserta didik. Teknik pengumpulan data yaitu metode observasi, wawancara, dan dokumentasi. Hasil penelitian: (1) Implementasi kegiatan ubudiyah mencakup tentang kegiatan sholat dhuha, membaca Al-Qur'an surat Al-Waqi'ah, serta pembelajaran kitab Ta'limul Muta'allim (2) Implementasi kegiatan ubudiyah meliputi pelaksanaan, manfaat, dan kendala atau hambatan (3) pelaksanaan kegiatan ubudiyah dilakukan sebelum pembelajaran.
