Nur Kholifah. 2023. **“The Effect of Applying the Expository Learning Method on the Learning Outcomes of SKI Class X Students of MA Bahrul Ulum Lamongan”** Thesis. Lamongan Islamic University.

This thesis discusses the Effect of Applying the Expository Learning Method on the Learning Outcomes of SKI Class X Students of MA Bahrul Ulum Lamongan. The purpose of this study was to determine the application of the expository learning method in MA Bahrul Ulum Lamongan, to find out the results of SKI learning for students of MA Bahrul Ulum Lamongan, to determine the effect of applying the expository learning method on SKI learning outcomes in class X students of MA Bahrul Ulum Lamongan. This study uses a quantitative approach. The data collection method uses a questionnaire and documentation. Data analysis uses percentage, mean and simple linear regression formulas. The results of this study are the first, the application of the expository learning method at MA Bahrul Ulum Lamongan is classified as good with a yield of 78.80%. Second, the SK learning outcomes of class X MA Bahrul Ulum Lamongan were included in the good category based on the report cards which obtained an average score of 86. Third, there was a significant effect of applying the expository learning method to the SKI learning outcomes of students in class X MA Bahrul Ulum Lamongan. Based on the magnitude of the correlation/relationship value that is equal to 0.788 which indicates that the X and Y variables have a relationship with a strong level.

**Keywords:** Application of the Expository Learning Method, SKI Learning Outcomes.

## ABSTRAK

Nur Kholifah. 2023. "**Pengaruh Penerapan Metode Pembelajaran Ekspositori Terhadap Hasil Belajar SKI Peserta Didik Kelas X MA Bahrul Ulum Lamongan** " Skripsi. Universitas Islam Lamongan.

Skripsi ini membahas tentang Pengaruh Penerapan Metode Pembelajaran Ekspositori Terhadap Hasil Belajar SKI Peserta Didik Kelas X MA Bahrul Ulum Lamongan. Tujuan dari penelitian ini adalah untuk mengetahui penerapan metode pembelajaran ekspositori di MA Bahrul Ulum Lamongan, untuk mengetahui hasil belajar SKI peserta didik MA Bahrul Ulum Lamongan, untuk mengetahui pengaruh penerapan metode pembelajaran ekspositori terhadap hasil belajar SKI peserta didik kelas X MA Bahrul Ulum Lamongan. Penelitian ini menggunakan pendekatan kuantitatif. Adapun metode pengumpulan data menggunakan angket dan dokumentasi. Analisis data menggunakan rumus prosentase, mean dan regresi linear sederhana. Hasil dari penelitian ini yang pertama, penerapan metode pembelajaran ekspositori di MA Bahrul Ulum Lamongan tergolong baik diperoleh hasil sebesar 78.80%. Kedua, hasil belajar SKI peserta didik kelas X MA Bahrul Ulum Lamongan termasuk dalam kategori baik berdasarkan dari nilai rapot yang memperoleh nilai rata-rata 86. Ketiga, Terdapat pengaruh yang signifikan penerapan metode pembelajaran ekspositori terhadap hasil belajar SKI peserta didik kelas X MA Bahrul Ulum Lamongan. Berdasarkan besarnya nilai korelasi/hubungan yaitu sebesar 0,788 yang menunjukkan bahwa variabel X dan variabel Y terdapat hubungan dengan tingkat kuat.

**Kata Kunci:** Penerapan Metode Pembelajaran Ekspositori, Hasil Belajar SKI.
